### [5] Transportation (TR)

#### [5.15] Number of Transportation Initiatives to Decrease Private Vehicles on Campus

	
<p>Limiting parking zone</p> <p>1. Solar energy technologies (College of Engineering, Universitas of Samarra, Iraq)</p>	<p>Free Bicycle for rent</p> <p>2. renewable energy (Universitas of Samarra, Iraq)</p>
	
<p>3. Ride Share project (Cooperation between University of Samarra and Ministry of transportation- Iraq)</p>	
<p>Campus Bus and Free Bicycle for rent (University of Samarra, Iraq)</p>	

**Description:**

1. Shuttle/bus campus inside campus
2. Free to rent bicycle on campus
3. Cycling activities are encouraged during working hours and private transport restrict entering to University.
4. 4.Paid Parking for all private vehicles.
5. In addition, there are more than 6 electric vehicles in the University of Samarra Campus for the distribution of some necessary materials to the departments and offices. University of Samarra has improved itself a lot in transportation. Cycle Parking is an essential part of any cycle network. We audited all the public cycle parking spaces in the university finding 66 spaces; nearly colleges and mean bulding . An assessment showed that locations and access were generally good We made proposals for improving 24 locations and new locations to increase the number of spaces to 90.
